PARC VERD

The Parc Verd or household waste recycling centre is a municipal facility with access control where the neighbours can dispose of almost all their household waste. There are collection points for the following waste streams:

Household waste:

- ✓ Paper and cardboard ("Paper/Cartró")
- ✓ Glass ("Vidre")
- ✓ Light packaging ("Envasos Lleugers")
- ✓ Organic matter ("Orgànica")
- ✓ Residual waste ("Rebuig"). This can only be accepted in the authorized red bag or with the standardized sticker bought in the facility.
- ✓ Nappies, diapers or pet excrements ("Bolquers"). This can only be accepted in the authorized white bag
- ✓ Electrical and electronic devices without CFC (large household appliances, small electrical appliances, computer and telecommunications equipment, electrical appliances, lighting equipment)
- ✓ Electrical appliances with CFC (refrigerators, freezers, air conditioners, etc.)
- ✓ Bulky waste: furniture, mattress, mattress base and similar.
- ✓ Clothes and footwear
- ✓ Scrap iron
- ✓ Green waste from pruning and gardening
- ✓ Alkaline and button batteries
- ✓ Hazardous waste packaging
- ✓ Waste mineral oil
- ✓ Waste vegetable oil
- ✓ Fluorescent lamps, low consumption bulbs, low pressure sodium lamps, high intensity discharge lamps, including pressure sodium lamps and metallic halide lamps
- ✓ Car batteries
- ✓ Small quantities of construction and demolition waste from small-scale works
- ✓ Small quantities of reduced size of waste with asbestos

The municipality can modify the list of accepted waste in accordance with the regulations.
